

Heaven's light is our guide.

Rajshahi University of Engineering and Technology

RUET

Department of Electrical & Electronic Engineering

Course no.

EEE3106

Course title:

Control System Sessional

Experiment no.

02

Experiment name:

Analyzing the dynamics of a Physical System
(Mechanical system) using mass spring damper
system

Date of experiment:

March 13, 2022.

Date of submission:

March 27, 2022.

Submitted to:	Submitted by:
Dr. Md. Sohel Rana	Ashraf Al- Khalique
Professor	Roll: 1801171
Dept. of Electrical & Electronic Engineering, Rajshahi University of Engineering and Technology.	Session: 2018-2019
	Dept. of Electrical & Electronic Engineering, Rajshahi University of Engineering and Technology.
