Rajshahi University of Engineering and Technology

Department of Electrical & Electronic Engineering

Course no.	EEE3110
Course title:	Computational Methods in Electrical Engineering Sessional
Experiment no.	07
Experiment name:	Compare the solution of a linear system obtained using 'Gauss Elimination method' & 'Jacobi Method'
Date of experiment:	June 27, 2022
Date of submission:	June 18,2022

Submitted to:	Submitted by:
Dr. Md. Masud Rana	**Ashraf Al- Khalique**
Professor	**Roll:** 1801171
Dept. of Electrical & Electronic Engineering, Rajshahi University of Engineering and Technology.	**Session:** 2018-2019
	Dept. of Electrical & Electronic Engineering, Rajshahi University of Engineering and Technology.
